EDUCATION

Bishop O'Dowd High School, Oakland
University of California, Santa Cruz

EXPERIENCE

Interviewer, Sunrise Senior Living

San Leandro, CA

- Conducted a series of interviews and compiled them into a single documentation with the residents of the retirement housing in regards to their life experiences
- Additional miscellaneous office tasks (printing and distribution of fliers, organization of various documents, package deliveries)

RELEVANT COURSEWORK

Fall 2020

UCSC

Public Policy – COVID 19 Pandemic Outbreak

- Wrote empirical research paper on impact of the pandemic's effects on retirement ages
- Gathered data from the monthly results of the Current Population Surveys during the year of 2020 from the US Census Bureau
- Conclusion: Outbreak tends to cause people who are younger to delay retirement plans, those who are older saw it as an opportunity to go ahead

Spring 2021

UCSC

Creative & Social Entrepreneurship Academy

- Ran a business simulation with two other students
- Temporarily took over leadership when the founder stepped down
- Conducted a wide variety of interviews
 - Variety of potential customers for ideal pricing for internet access in rural areas
 - Interviewed Chris Frost, director of Infrastructure and Technology at Cruzio on operation
